

Government of India
Ministry of Housing and Urban Poverty Alleviation
National Buildings Organization

Dated 19th August, 2011
Nirman Bhawan, New Delhi

Notice Inviting Tender

National Buildings Organization, Ministry of Housing & Urban Poverty Alleviation (MoHUPA) invites application from eligible firms, agencies, institutions, organizations and empanelled National Resource Centers for assignment of works relating to Housing Start-up Index (HSUI). The initial engagement will be upto 31st March, 2012, which could be extended further with mutually acceptable terms & conditions with the approval of competent authority.

2. Currently, NBO in collaboration with RBI is engaged in the operationalisation of the Housing Start-up Index (HSUI). HSUI would be limited to new private and public built residential units in India, whose construction is authorized through issuance of building permits. The data in the prescribed format on building permits issued for the new residential buildings in selected cities/towns across the country on a quarterly basis constitutes basic input for construction of HSUI. To begin with NBO, MoHUPA has selected 50 cities/towns across the country for generation of the Index. The coverage of HSUI will be expanded gradually to include more cities. NBO, M/oHUPA has also developed a web based HSUI MIS for online collection and compilation of data relating to HSUI. ***The details regarding Housing Start-up Index (HSUI) is available on official website of NBO www.nbo.nic.in under the What's New Section "Toolkit for HSUI".***

3. In view of the above, application from eligible firms/agencies/institution/

organization/ empanelled National Resource Centers with Ministry of HUPA, are invited for assignment of the following works relating to Housing Start-up Index (HSUI):

TERMS OF REFERENCE

- a) Processing of data submitted on a quarterly basis online/in prescribed format by municipalities/development authorities on building permits issued for the new residential buildings including data from group housing societies, private developers and housing projects in the identified cities across the country.
- b) Carry out Data Validation and address data gaps through an appropriate mechanism to ensure reliability and accuracy of data supplied by the ULBs, Development Authorities and others. Undertake sample survey on Housing starts in identified cities based on random sample selected on the basis of permit data available from the ULBs.
- c) Make analysis report of the data furnished by the Urban Local Bodies/Development Authorities, group housing societies, private developers etc. of the identified cities on quarterly basis & also analysis reports of sample survey on Housing starts.
- d) Render all necessary technical and manpower support to NBO for maintaining the data bank on housing and construction activities/building permits collected from MCs/ULBs and other sources.
- e) Provide technical support for implementation of HSUI MIS and ensure accurate reporting through the same by the Municipalities proactively. Generation of Reports from HSUI MIS etc.
- f) Improvisation of HSUI MIS based on feedback received from States/ULBs under

overall guidance of NBO.

- g) Provide technical support on matters like sample selection, field surveys, generation of housing start coefficients etc.

4. ELIGIBILITY CRITERIA

- 4.1 The agency/firm/organization interested to apply should have a fully functioning office in Delhi NCR. *National Resource Centers empanelled with the Ministry of HUPA are exempted from this condition.*
- 4.2 Should have core area of expertise in handling works relating to development of database especially in the fields of housing and building construction activities
- 4.3 Should have at least 2 years of experience.
- 4.4 Should have in-house expertise in database management and technology support.
- 4.5 Should have an annual turnover of at least Rs 50.00 Lakh, in each of the last 2 years. This claim should be supported by self attested annual financial statements. In case two or more firms/organizations form a consortium for the purpose of applying for the said work assignment, one of the firms/organization should have a annual turnover of at least Rs.50.00 Lakh, in each of the last two years.

5. SELECTION PROCESS

- 5.1 Interested institution/organization may submit their bid as per the format at Annexure I and II.
- 5.2 The bids will be evaluated based on a pre set evaluation criteria outlined in the notice inviting tender (NIT) format at Annexure 1. The Institution/organization scoring 60 or more marks would be considered as qualified technically and eligible and may be invited for discussions and presentation, if required. The marks distribution is as below:
